Dated Peshawar the 18.08.2022

To,

The Principals,
All Private Schools in Khyber Pakhtunkhwa.

Subject:

SUPPORT FOR TYPHOID VACCINE CATCH UP CAMPAIGN,
OCTOBER, 3-15, 2022.

I am directed to refer to the subject cited above and to state that Typhoid fever is considered a public health challenge in Pakistan. Typhoid is an infectious disease that can easily spread from person to person and are common in urban population.

To prevent Typhoid spread and reduce the burden of disease the Government of Pakistan has planned a Typhoid vaccination campaign in the Khyber Pakhtunkhwa from **3rd to 15th October, 2022** that will target children having age group ranging from 9th months to 15 years in respective districts.

Role of Private Schools is pivotal for the success of campaign by facilitating district health vaccination. Following activities may be carried out in each school.

Pre-Campaign Phase:

- Provide list of children in each class up to the age of 15 years to district EPI team. (Form "B" Attached).
- Disseminate social mobilization messages about TCV campaign dates and its importance in school assemblies and classrooms.

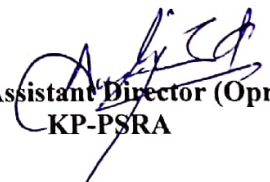

During Campaign Phase (October 3-15, 2022):

- In compliance to COVID-19 SOPs, identifying a ventilated room or an area in your school to ensure both students and EPI health teams stay protected.
- Designate a school staff or focal person to help in vaccination of children on the day of vaccination in school as per micro-plan.

Post Campaign Phase:

- Support the teams in vaccinating the absent/ missed children.

You are therefore, directed to extend full support and cooperate the deputed teams in your school for an effective campaign.
